STREAMLINED, STAINLESS STEEL SOLUTIONS

Where true beauty meets true quality: meet our Swiss Modern kitchen line. For this brand new take on the Swiss Modern collection we've switched the traditional walnut wood for super sleek, on-trend synthetic handles. The streamlined handles not only look on-point in any kitchen décor, they

also perfectly balance ergonomics and durability for ultimate comfort and effortless use. Easy to clean and dishwasher safe make the pieces of this collection the perfect go-to kitchen utensils for everyday kitchen tasks.

KEY FEATURES

- The home cook's utensils for everyday kitchen tasks
- Five Swiss made knives and a forks in vibrant colors and classy black
- Made of stainless, wear-resistant steel and synthetic handles
